High Speed Telegraphy WG Report

Report for 2011

After the GC in Sun City, the HST WG successfully completed all planned activities from the previous year and proposed activities for the following year. Here are the major activities for 2011:

Successfully organise the 9th IARU World HST Championship in Bielefeld, Germany.

The 9th IARU HST World championship took place from 19 to 23 October in the city of Bielefeld, Germany. 146 participants (107 competitors) from 20 countries attended the event, which is the highest number of participants so far. Three new world records were set, two in the female and one in the male categories. The championship was covered by many journalists, photographers and two TV networks - WDR and RTL.

The HST WG would like to congratulate DARC for their outstanding job and very well organized event.

- The HST WG had an official working group meeting during the 9th IARU World HST Championship in 2011. Representatives from the following MS were present at the meeting: DARC, BFRR, HRS, SRS, BFRA, PZK, URAL, MRASZ, SRR, FRR (10 of 14 more than 2/3 present).
IARU R1: LZ1US, Z32TO

A representative of USKA (HB9JOE) as candidates to host 2012 Championship also attended. The HST WG received 1 (one) official candidacy for host of the championship 2012. The HST WG unanimously selected USKA as host of the 10th IARU World HST Championships 2012

Planned activities for 2012 were:

- Preparatory visit to Beatenberg, Switzerland
- Successful organization of the 10th IARU World HST Championship 17 to 21 October 2012
- Election of the host of the 2013 championship
- HST WG meeting in Beatenberg during the World Championship

Report for 2012

The HST WG successfully completed all planned activities from the previous year and propose activities for the following year. Here are the major activities for 2012:

Successfully organise the 10th IARU World HST Championship in Beatenberg, Switzerland

The 10th IARU HST World championship took place from 17 to 21 October in the city of Beatenberg, Switzerland. 150 participants (97 competitors) from 16 member societies attended the event. Five new world records were set, four in the female and one in male the categories. The HST WG would like to congratulate USKA and the Thiemann family for their outstanding job and very well organized event.

The HST WG had an official working group meeting during the 10th IARU World HST Championship in 2012. Representatives from the following MS were present at the meeting: DARC, BFRR, HRS, SRS, BFRA, PZK, URAL, MRASZ, SRR, FRR, ARI and CRC (12 of 14 more than 2/3 present)
IARU- R1: LZ1US, Z32TO, HB9JOE

The HST WG received 1 (one) official candidacy by BFRA for host of the championship 2013. The HST WG unanimously selected BFRA as host of the 11th IARU World HST Championships 2013. Terms and venue are: 22 to 26 September, Borovets

The REF (France) representative withdrew from the HST WG due to personal reasons.

Two new MS appointed representatives: SSA (Sweden) and MRSF (Mongolia).

Planned activities for 2013 were:

- Preparatory visit to Borovets, Bulgaria
- Successful organization of the 11th IARU World HST Championship 22 to 26 September 2013
- Election of the host of the 2014 championship
- The HST WG meeting in Borovets during the World championship

Report for 2013

The HST WG successfully completed all planned activities from the previous year and propose activities for the following year. Here are the major activities for 2013:

Successfully organise the 11th IARU World HST Championship in Borovec, Bulgaria

The 11th IARU HST World championship took place from 22 to 26 September at the Borovec Ski Resort, Bulgaria. 140 participants (90 competitors) from 13 member societies attended the event. One new world records was set in the female category.

The HST WG would like to congratulate BFRA and all members of the OC for their outstanding job and very well organized event.

The HST WG had an official working group meeting during the 11th IARU World HST Championship in 2013. Representatives from the following MS were present at the meeting: DARC, BFRR, HRS, SRS, BFRA, PZK, MRASZ, SRR, FRR, RSM, ARI and CRC (12 of 14 more than 2/3 present)
IARU- R1: LZ1US, Z32TO, HB9JOE

The HST WG received 4 (four) official candidacies for host of the championship 2014:

- MARP Montenegro
- PZK Poland
- FRR Romania
- RSM Macedonia

The HST WG, with huge majority, selected MARP as host of the 8th IARU R1 HST Championships 2014. Terms and venue are: 12 to 16 September, Bar, Montenegro.

One new MS appointed representative: USKA (Switzerland).
URAL representative withdraw from the HST WG due to personal reasons.

Planned activities for 2014 are:

- Preparatory visit to Bar, Montenegro
- Successful organization of the 8th IARU R1 HST Championship 12-16 September 2014
- Election of the host of the 2015 championship
- HST WG meeting in Bar during the R1 championship

Yours sincerely,

Oliver Tabakovski, Z32TO
