## Invitation to host the 2017 IARU Region 1 Conference

### Introduction:

The last time the IARU Region 1 Conference took place in (West-) Germany was in 1958 in Bad Godesberg near the former capital City Bonn. This was long before the reunification in 1990. The German Amateur Radio Club (DARC) strongly believes it is now time that the IARU Region 1 conference should take place in Germany again.

### Key points and proposal:

DARC hereby requests the opportunity hosting the 2017 International Amateur Radio Union Region 1 Conference in Germany

### Most important details

The Conference will be organised by the DARC in Germany. A detailed presentation will be given in Varna.

DARC is looking forward to meeting you in 2017
