# Youngsters On The Air?

Target group: Youth between the age of 15 and 25 years

“

The goal of YOTA is to welcome new and young amateur radio operators to our beautiful hobby. Together with other young radio amateurs all around the world, we can make the difference and give our hobby the future it deserves!

# Youth Contesting Program

# Youth Contesting Program

Young HAMs from IARU R1 member societies are invited to take part in amateur radio contests using “Top Gun” contest stations.

A youngster is probably coming for the first time to the host country -

- Youngsters will experience host country and share amateur radio knowledge with local youngsters.
- A group of about 6 international and 6 domestic youngsters will take part per contest
- All levels of contest experience are accepted.

# Youth Contesting Program

2015 - 2016 contests

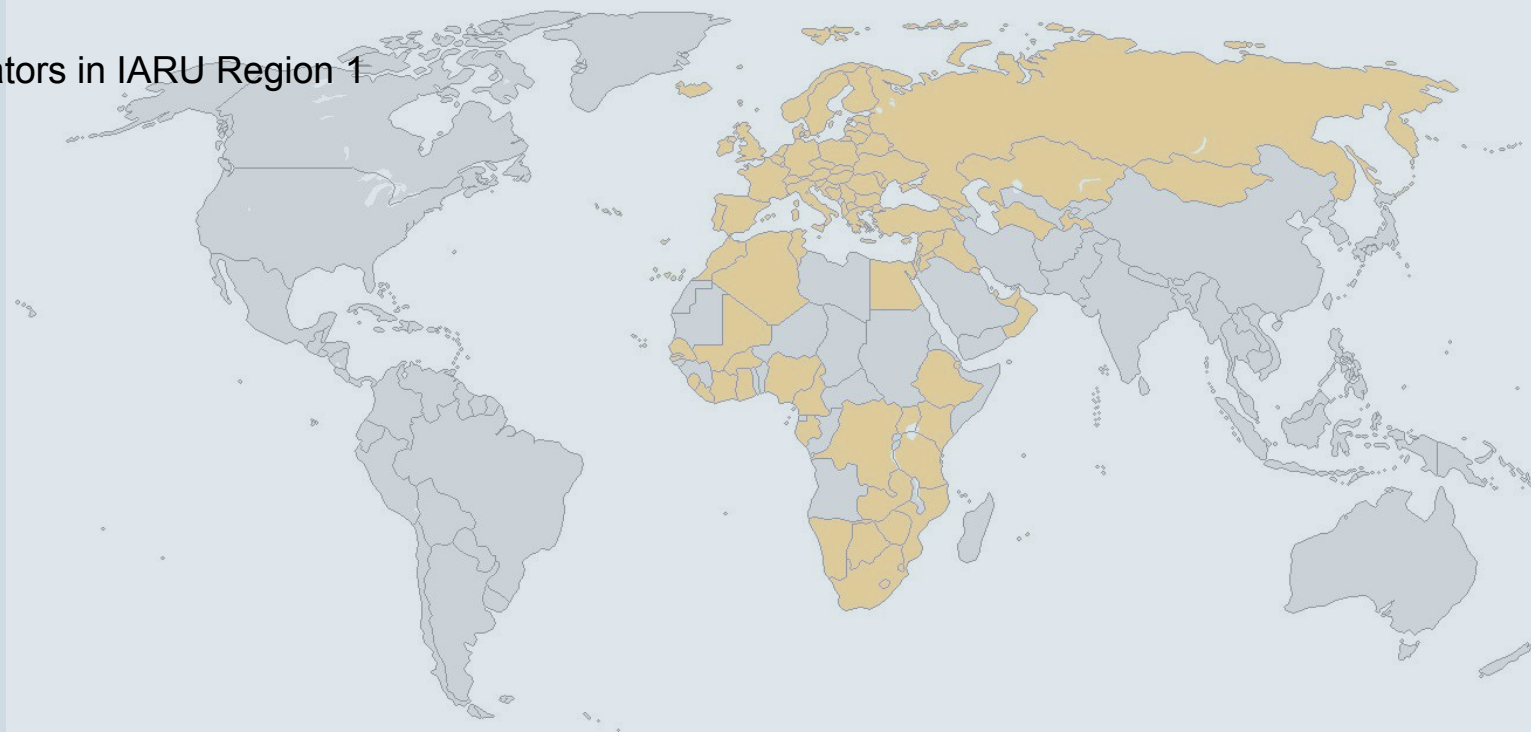

- ES5TV ARI International DX
- 9A1A 9A1RBZ CQ M International DX contests
- SK3W SK9HQ IARU HF Championship
- 4O3A CQWW RTTY DX contest

# YOTA national level
